Tagore Lives On

Saturday 28 May at 7.30-9.45 pm at
Pegasus Theatre, Magdalen Road, Oxford OX4 1RE

This live concert commemorates the 150th birth anniversary of the Bengali cultural icon, Nobel Laureate, Rabindranath Tagore. His evocative songs and poetry touch every emotion of a human being. His message is universal, therapeutic while his art remains contemporary. Dip into his memorable songs with matching melody and dancing rhythms. Lyrics are translated into English to cross the language barrier. Join us to celebrate Tagore's life and creativity.
